Oxygen and oximeter log

Only if the doctor or respiratory nurse asked you to keep a record. Copy the oxygen order exactly as written, and never change the setting yourself. Write each reading exactly as the oximeter shows it.

The doctor's instructions	
Name	
Oxygen order (as written by the doctor)	
Oxygen supplier and phone	
When to call the doctor or nurse (their words), and phone	

Date	**Time**	**Oximeter reading**	**Pulse**	**On oxygen (Y / N)**	**Setting matches the order (✓)**	**Doing (rest, walking, sleep)**	**Breathing, color, notes**	**By**
